Fundraising:

Convention Outing: The committee planned an Atlanta Braves baseball game outing on September 8, 2023, at the biennial convention. It will take place at Truist Park, Hank Aaron Terrace, featuring the Atlanta Braves vs. Pittsburgh Pirates. A buffet dinner with a good choice of options will be served. 125 tickets were purchased and to date we have sold 119.

Book Fair and Silent Auction: The committee set up an online Book Fair and Silent Auction that is open now for bidding until September 15, 2023. A number of vintage and preloved books are available along with jewelry items, a beautiful gavel collection, and other collectibles and memorabilia are among the items presented. This effort was made possible through the work of a subcommittee composed of Sandy Olson, Nancy Sylvester, Lynna Gene Cook, and NAP President Wanda Sims who sorted and photographed the books and other items and arranged them in lots at the NAP headquarters; Cyndy Launchbaugh who uploaded and tagged all the photos and descriptions to Dropbox; and Valoree Althoff who uploaded all the items and descriptions into Galabid, the online auction site.

Ann Guiberson, PRP, Chair
